AROCNZ Centenary Tour of New Zealand 22nd September – 8th October 2010

REGISTRATION

If you haven't already done so or only expressed an interest you are now invited to register in celebrating the 100 years since the founding of ALFA by joining the Tour for all or as many days as you like. The Tour passes through most AROC regions making contact with as many members as possible. Naturally the route takes in some of the best Alfa Romeo driving roads in the country, scenic views and a mix of town and country.

The Centenary Tour starts in Invercargill then via Bluff and Cape Reinga ends at Hampton Downs Motorsport Park. (See back page).

The end of the Tour will see the most numerous gathering of AROC members in 100 years hence the segueing of the Tour into the ALFA Centenary Track Weekend. The Track Weekend programme will appeal to everyone; tourers, racers, sprinters, Trofeo drivers, paraders, sightseers, show and shiners, dealers and Ateco as importers of Alfa Romeo cars. An Annual General Meeting as required by the constitution will be included in the Track Weekend programme..

See the separate Registration form for the Track Weekend..

If you would like to join the Tour for a single day, part of or the whole trip please register by completing and returning page 3.

The fee is \$50 per car no matter how few or many days you stay with the Tour. Your Tour kit will be with the Tour Leader and made available when you first join the Tour.

There is no charge if you join the Tour for one day and do not want a Tour kit.

If you have already paid your \$50 entry fee there is no need to register again. But you may be asked to sign, on joining the Tour, an indemnity similar to that included in this registration form.

Registrations must be received by 15th September 2010. Regret no late registrations accepted.
