The Plan of Attack:

Arrive in Christchurch whenever you want – please let us know if you are arriving early and want any help with getting around or finding activities to fill your day(s).

For those who are flying into town, we can arrange airport pickups if required. A limited number of Alfas may be available to borrow for the weekend if you ask VERY nicely (and if we have time to clean them!) or we can arrange a ride as a passenger or navigator in other cars.

Friday 9th Oct: Registration opens from 4pm at the Latimer Lodge in Latimer Square (a map will be provided with your confirmation of registration)

6:30-8:30 pm: Nibbles (included in the registration fee) and a catch up with whomever is around. There will be a cash bar operating. If you want a full meal, that is your own cost and up to you to organise for yourself (although plenty of advice is available for suggestions).

Saturday 10th Oct, 9 am: Meet at the Latimer Lodge for a 10 am departure

10 am: Depart for Greymouth using the driving notes included in your Registration pack, via the world-renowned Arthur's Pass alpine drive. (an alternative, much more boring, but somewhat more direct route out of town is also available – please see the organisers for details). Perhaps a compass or GPS might be useful for this trip into the wop-wops.

1-2(ish) pm: West Coast Wild Foods BBQ lunch at the Moana pub

4(ish) pm (time to be confirmed): South – North Challenge (teams of 4 – 2 female, 2 male)

7:00 pm: Buffet Dinner at the Kingsgate Hotel, Greymouth, incorporating prizegiving, raucous laughter, and much dancing to the music of Big Wheelie and the Hubcaps – bring your dancing shoes (or barefeet if you prefer)

Sunday 11th Oct, 10:30 am: AGM at Shantytown (a famous recreation of a 19th century gold-mining town) – don't be late! Tea & coffee before the meeting commences. Your registration fee includes entry to Shantytown so please try and make plenty of time to have a good look around.

Midday: Lunch and goodbye
